Art Making (Practical)

Item 1

The Star Foundation, a Uganda based organisation that is raising Autism awareness to reduce the stigma against children on the spectrum has just finished the construction of the home that is going to accommodate children on the spectrum that come from less privileged families. The foundation is to take care of their special needs, feeding and housing. The foundation is looking for artists that can make artworks that will bring joy and fun in the walls of their home.

Task:

As an art student, produce an artwork of your preference that will be displayed in the home of these special children.
