INSTRUCTIONS

- This paper consists of two examination items. Answer **both** items in this paper.
- You are provided with support files in the folder **HES S.4 Support Files 2025** on the computer desktop. Use the support files where applicable to supplement the items.
- You are provided with a new blank **Compact Disc (CD)**.
- Use a **permanent marker** to write your name, random number, and personal number on your CD.
- You should continuously save your work.
- You **must** produce a **hard copy** for each of your tasks to accompany a soft copy on the Compact Disc (CD).

ITEM 1

Ms. Nansubuga Sarah is a 65-year-old retired educationist and community leader who has made significant contributions in areas of literacy development, girl child education, and rural community upliftment. She has authored several handwritten notes and recorded numerous speeches over the years but lacks the technical knowledge to digitize and compile her content.

She was recently appointed as a keynote speaker at the National Education Leaders' Conference, to be held at Speke Resort Munyonyo on 28th/11/2025. To effectively share her insights and legacy, she wishes to have her work published in a book format, and also to create a slide presentation for the upcoming event.

TASK

- a) Professionally organize Ms. Nansubuga's handwritten content into a well-formatted document suitable for printing and digital publication. Use the support file **manual 1** that was extracted from her handwritten work
- b) Design a presentation slide deck summarizing the key themes/chapters of her work and legacy.

ITEM 2

PrimeAgri Finance Uganda Ltd is an agro-finance company that supports farmers by offering agricultural loans, savings plans, farm insurance, and training programs. During its last strategy review meeting, the management resolved to adopt digital tools to streamline client engagement and services.

They aim at; allowing farmers to apply for services online, enabling real-time support for client queries and providing information updates about financial products and training sessions.

TASK

With your skills ICT, help the management to achieve these goals. A support folder called **PrimeAgri** has been provided containing some files to help you achieve this on behalf of the management.
