2. Soma habari ifuatayo na ujibu maswali.

Faida za wanyama wa nyumbani:

Jina langu ni Nakazzi Margret. Mimi ni msichana. Nina miaka kumi na tano. Ninasoma katika shule ya Sekondari ya Juliana. Ninasoma kidato cha kwanza. Ninaishi wilaya ya Kasese. Nyumbani kwetu tuna watu watano. Ninaishi na baba, mama, dada na kaka yangu mkubwa.

Sisi tunafuga wanyama wengi nyumbani. Sisi tuna Ngamia 24, Ng'ombe 35, Mbuzi 43, Mbwa 2, Paka 1, Farasi 10, Sungura 5 na kuku 125. Wanyama hawa ni wanyama wa nyumbani kwa sababu wanaishi nyumbani. Wanyama hawa wana faida nyingi sana.

Tunakula wanyama kama ngombe, mbuzi, sungura na kuku. Wanyama wengine kama mbwa, paka, farasi na punda hatuwakuli. Lakini wanyama wote wanafaida nyingi kwa mwanadamu. Mbwa ni mlinzi wetu hapo nyumbani. Farasi naye hutusaidia katika usafiri. Farasi pia anabeba mizigo. Paka anasaidia kuwakamata panya.

Wanyama tunaokula kama ngombe wanafaida nyingi. Tunalima shamba na ngombe ikiwa hakuna Trekta. Nyama ya ngombe ni kitoweo na samadi ni mbolea shambani. Pia sisi tunakunywa maziwa ya ngombe. Tukiuza ngombe tunapata pesa.

Ngozi kama za ngamia, ng'ombe na mbuzi hutengeneza; viatu, mabegi, mikanda, majaketi, kofia, foronya za viti na kadhalika.Sisi pia hula nyama ya kuku siku ya Krismasi. Kuku hutaga mayai ambayo tunakula na kuuza.

Maswali:

(a) **Nani** ameandika hadithi hii?(who is the writer of this story) (Alama 02)

…………………………………………………………………………………………………

<u>UTAFSIRI</u>:

7. Andika kwa Kiswahili. (Alama 20)

There are 7 days in a week. The first day is Saturday. On Saturday, I help mother in sweeping the house and cooking food. I cook rice, meat and beans. My brother is called Arnold. He helps in slashing grass and washing clothes.

The second day is Sunday. We go to church on Sunday to pray. On Monday children go to school. Our parents go to work. Tuesday is the fourth day. We go to school to study. My father goes to the garden to dig.

Mother goes to the market. She sells tomatoes, oranges, mangoes and pineapples. On Friday Muslims go to the Mosque for prayers.

There are 12 months in a year. There is January, February, March, April, May, June, August, September, October, November and December.

The first month is January. January has 31 days. The last month is December. Christmas day we eat Chapati and chicken. I was born on 12/05/2007. Every morning I wake up at 4:20 am. I bath and take tea. Then I go to school.
