GEOGRAPHY

UGANDA AND FIELD WORK

Paper 3

3 hours

INSTRUCTIONS TO CANDIDATES:

*Answer **four** questions in all.*

One question must be chosen from Section **A** and **three** questions from Section **B**

Credit will be given for the use of relevant sketch maps, diagrams and local examples.

SECTION A: FIELDWORK

1. For any **one** fieldwork study you have conducted either as a group or an individual:
 - (a) State the:
 - (i) topic of the fieldwork study, *(03 marks)*
 - (ii) objectives of the fieldwork study. *(03 marks)*
 - (b) How were the following methods used to collect data during the fieldwork study?
 - (i) Observation, *(03 marks)*
 - (ii) Measurement, *(03 marks)*
 - (iii) Recording. *(03 marks)*
 - (c) Outline the problems encountered when using the methods in (b) above. *(04 marks)*
 - (d) Explain the relevance of your fieldwork study in the understanding of the geography of the area studied. *(06 marks)*
2. For any **one** fieldwork study you have conducted, either as a group or as an individual, on a plantation farm.
 - (a)
 - (i) State the topic of the study. *(02 marks)*
 - (ii) Outline the objectives of the study. *(03 marks)*
 - (b) Draw an annotated sketch map to show the layout of the plantation farm. *(08 marks)*
 - (c) Explain the conditions that influenced the location of the plantation farm. *(08 marks)*
 - (d) Outline the effects of the plantation farm on the surrounding areas. *(04 marks)*

SECTION B: UGANDA

3. (a) Explain the processes that led to the formation of the Horst Mountains in Uganda. (12 marks)
- (b) Examine the impact of Block Mountains on the enrichment in Uganda. (13 marks)
4. (a) Account for the occurrence of Savanna vegetation in Uganda. (12 marks)
- (b) Explain the land use activities associated with savanna vegetation in Uganda. (13 marks)
5. (a) Examine the factors limiting irrigation farming in Uganda. (12 marks)
- (b) With specific examples, explain the measures being taken to improve irrigation farming Uganda. (12 marks)
6. With reference to specific examples, account for the development of tourism in Uganda. (25 marks)
7. Examine the problems facing the use of water transport in Uganda. (25 marks)
8. Study the table below showing immigration and emigration rates for selected districts in Uganda (1991) and answer the questions which follow:

District	% Immigration rate	% Emigration rate
Kampala	57.45	32
Kalangala	40.03	30.83
Kabale	1.96	35.33
National Average (Uganda)	17.68	17.68

Adapted from NEMA (1996): State of the Environment Report for Uganda p156.

- (a) Draw a comparative bar graph to represent the information in the table. (12 marks)
- (b) Account for the high:
- (i) immigration rates in Kampala district, (03 marks)
- (ii) emigration rates in Kabale district. (03 marks)
- (c) Explain the effects of migrations on the areas of:
- (i) origin. (03 marks)
- (ii) destination. (04 marks)
