Ask the Lord for rain in the spring of the year. It is the Lord who sends rain clouds and showers making the fields green for everyone. People consult idols and fortune tellers, but the answers they get are lies and nonsense. Some interpret dreams, but only mislead you; the comfort they give is useless. So, the people wander about like lost sheep. They are in trouble because they have no leader. The Lord says, "I am angry with those foreigners who rule my people, and I am going to punish them. The people of Judah are mine, I and the Lord Almighty, will take care of them, the people of Judah will be victorious like soldiers who trample their enemies into the mud of the streets. They will fight because the Lord is with them, and they will defeat even the enemy horsemen.
